After Actions Reports were provided to members and guests after each meeting.

Actions:

1. This was a rebuilding year for PSAC, as the committee had not been active.
2. Approximately 70 percent of members attended meetings; there is never a "good" time for everyone to meet.
3. The committee had several discussions with Chief of KSU PD Ted Cochran and Vice-President for Safety and Security, Mr. Bob Lang. Both leaders met with the committee at most meetings.
4. The committee made recommendations and or had discussions on the following: lighting on campus and adjacent facilities; speeding in the parking decks; traffic patterns and possible "channeling" of traffic during special events; CCTV and cameras on and around campus; digital upgrades and use of "blue" phones near parking lots

and common areas.

5. Guest Speaker Lance LoRusso met with the committee to educate about a possible seminar on "Active Shooters: Prevention and Liability." The committee reviewed the proposed training agenda and Mr. LoRusso explained the need and importance of educating professors and educators (k-12); as well as, state, local, and campus law enforcement officers. Mr. Lang, Chief Cochran, Mr. LoRusso, and the Chairman will meet during the summer for a possible fall event.

Planning:

The Chairman will coordinate the first meeting of the next year during the first week of August to ascertain the names of new members and prepare a meeting calendar.
