II. Vice President’s Update

A. Walked through website updates on site:
   A. Representatives: where to locate board members and department reps for 2019-2020 and advised the department representatives have been updated or changed based on most recent list but could require additional revisions.
   B. Documents: charter is the same, bylaws updated.
   C. Schedules and Minutes: Next meeting, October 7, 2019. Meetings will be held in Room 300 for Fall but switch along with Faculty Senate to the Marietta Ballroom for Spring 2020.

F. Faculty Senate

B. Agenda

A. Approval of April minutes are posted on the website, but we do have an addendum to April minutes to include the information and discussion regarding quorum. Motion made by Diane Honey and seconded by Kiera Morrison.

B. Vote taken to adopt April minutes with the addition of the quorum information.

C. Further explanation requested from Nelda Hadaway. Michael explained Roberts Rule of Order states one thing but our bylaws which supersede Roberts Rules says a quorum is based on the majority of people at a meeting not the list of representatives who are members.

D. Question raised because during the elections there was a nomination from the floor for Vice President, Mandy McGrew nominated Michael Perry, Michael accepted, then everyone voted.

E. Nelda Hadaway: a quorum is simply majority of the members present. Michael Perry: exactly according to our bylaws which supersede Roberts Rules of Order for us because that is the way it is stated. Any other questions?

F. Move to vote minutes be adopted with the addendum. Motion requested, made, and seconded to adopt minutes. Voted with a show of hands.

G. Minutes adopted with addition.

H. In Joanne’s absence other agenda items moved to October.

I. Website Review:
   • Schedules and Meeting (where future meetings are listed)
   • Newsletter: Payroll/pay period schedule review. Tip provided by Diana Honey: Time input allowed one month ahead.

C. CETL: Mandy McGrew, no SPACE in 2020. Operated at a lost and numbers were declining. Given three years to get program going. Hit a peak at 120 people but decline thereafter. Presenter number remained the same but more and more people outside of KSU. More interested in supporting KSU PTF. Therefore, it was agreed Mandy’s time can be spent doing more for the KSU PTF. Discussions on bringing back on a less frequent basis (every other year) or hosting at other institutions within USG.

A. Question: Have you had any discussions with other schools to gauge interest in picking up the charter and hosting?
